GOVERNMENT OF SIKKIM
ENERGY AND POWER DEPARTMENT

No. 20/SSDA/ESP/2015-16/173

Dated10/5.....2016.

CIRCULAR

In spite of the Central Government through Bureau of Energy Efficiency (BEE) issuing notification on January 2010 under the provisions of Section 14(a) of Energy Conservation Act 2001 regarding the mandatory star labelling of distribution transformers upto 200 KVA , it is observed that compliance of same is not being done in the State.

It is to bring to the notice of all concerned that henceforth, all new installation of distribution transformers upto 200 KVA in the State shall be that of star labelled transformers only.

Therefore, Energy & Power Department, Govt of Sikkim, the sole distribution licensee in the State shall energize only those new distribution transformer installations upto 200 KVA having star labelled transformers.
